Item No.1: To confirm the minutes of the 80th Annual General Meeting held on 7th September, 2014.

At this juncture Mr. C. Babu Rao, representing Sagar Cricket Club, Mr. Chitti Sridhar representing Acrylic Cricket club and Mr. R.M. Bhaskar representing Balaaji Cricket Club & EC Members raised an objection stating that, as the final Accounts for the year 2014-15 have not been approved in the Executive Committee Meeting held on 22nd August, 2015, if not, how can the same may be passed in the AGM. They also stated that when some Members walked out of the Meeting how can the

Accounts will be taken up and passed and the date of AGM be fixed. They expressed that conduct of this AGM is illegal and cannot be continued.

Mr. T. Shesh Narayan, representing Bharat Cricket Club stated that as per HCA Bye-laws the Accounts should be approved in the Executive Committee Meeting and then only the same shall be placed before the AGM for approval. He also stated that as stated supra conducting of this meeting is illegal.

At this time the President requested all the members to take their seats and stated that everyone will be given a chance to express their individual opinions.

Even after the request of the President, the same members stood across showing a paper allegedly signed by some of the EC Members, raising their voice and shouting, conduct of this Meeting is illegal and cannot be continued.

Dr. M.V. Sridhar representing Deccan Colts Cricket club stated that the members who are objecting the conduct of the meeting are also elected members hence it is the duty of the President to answer their question and then only proceed with the agenda.

Mr. Imran Mahmood, representing Sunshine Cricket Club requested that not only the Office Bearers but all the EC Members who are present should occupy their Dais/seats and continue the proceedings as they are part and parcel in the discussion making of the Association.

Mr. C. Babu Rao, Mr. R.M. Bhaskar and Mr. Chitti Sridhar, asked the other Members who have signed the letter and now sitting on the Dais to come down from the Dais and join them. The Members refused to come down and join them.

Dr. M.V. Sridhar once again stated that the E.C. has to approve the Accounts and then only the same should be passed by the General Body. He also wanted to know whether the so called alleged letter signed by some members has been received or not.

The President stated that he has received the letter and the same has been replied appropriately.

Dr. M.V. Sridhar stated that this is the 2nd time under your Presidentship the Accounts have not been approved by the Executive Committee, previously also the same thing happened and now it has been repeated and again he wanted to know whether the dissent letter was received by you or not.

The President stated that without receiving the letter how can a reply be sent to them. He also stated that last time few of the members did not wanted to pass the accounts but was passed by majority anyway.

The President once again requested the members to be seated and permit the Chair to commence the proceedings.

Few Members wanted to know the opinion of Office Bearers who had signed the letter.

Mr. Prakash Chand Jain, Vice-President, representing Evergreen Cricket club stated that some of the Members walked out of the EC Meeting when an issue came up for discussion with regard to payment made to M/s. Star Mercantile Co. which was a subject matter of 80th AGM Minutes but not a point of Executive Committee Meetings and stated that Members walked out before the Agenda in respect of Accounts was taken.

However, with regard to payment made to M/s. Star Mercantile Co., the President clarified that this issue was discussed in the EC Meeting held on 11th October 2014 and it was unanimously decided to make payment and the same was approved in the said Meeting in which all the Members were present.

Mr. Chitti Sridhar, EC Member once again reiterated that when some of the members walked out from the meeting how can the remaining body take a decision in passing the Accounts and also fixing of date of Annual General Meeting.

The President stated that the Members walked out on the discussions held with regard to payment made to M/s. Star Mercantile Co. for Canopy construction work and also stated that the payment has been made after taking unanimous approval in the E.C. Meeting. But on the said discussion he had stated that since this is an issue of Annual General Meeting Minutes which was altered, the same can be discussed in the Annual General Meeting and not in the EC Meeting. But some of members were not satisfied with the reply and walked out. At this time some of the members rejoined the meeting and then the agenda pertaining to final Accounts & fixing of date for Annual General Meeting were taken up and discussed. He also stated that once the members signed in the Attendance Register the same should be taken into consideration that they have agreed and responsible for all the decisions which were taken in the said meeting. Though the members walked out stating that they are going for lunch, the Secretary had gone to them and requested them to attend the meeting but they have failed to come back. Hence we have continued and conducted the meeting with the members present and taken the decision. In this connection we have taken the legal opinion also. Accordingly we have taken a decision to fix the AGM date and also on passing of the Accounts.

Mr. P. Yadgiri representing Swastik Cricket club stated that we have walked out of the meeting at the time when the Accounts item was not taken up.

The President stated that as per Constitution the matter with regard Accounts have been taken up and passed and hence there is no necessity to call for any EC and requested the Members to understand the situation and proceed with the conduct of the proceedings of the Annual General Meeting .

Mr. G. Vinod representing Venus Cybertech Cricket Club stated that under Constitution it is the fundamental right of the Members to raise their voice and that there should not be a breach of trust. When 30% of the members have walked out from the meeting, important decisions cannot be taken by the remaining members.

The President once again stated that once members sign in the register they are liable for all the decisions taken in the meeting.

Mr. Vinod Kumar, representing Cambridge XI Cricket Club wanted to know when the Office Bearers who also have signed on the dissent letter submitted to the President how can they sit on the Dais.

Mr. Vinod Kumar, representing Cambridge XI Cricket Club, further stated that the Meeting should be allowed to continue as he has come prepared to attend the Meeting as there are few issues he wanted to discuss in the Meeting and requested the Chairman to continue with the Agenda and commence the proceedings.

Mr. N. Prahalad representing Ekalavya Cricket club stated that there are only few members who are agitating here, but the majority of members feel that the meeting should to be continued and other members should also get a chance to participate in the discussions and allow them to express their opinion. He also stated that few members cannot stall the proceedings.

The Members who were shouting just could not take the logical insight and once again shouted.

Mr. Syed Moizuddin, Vice-President, representing Satya Cricket Club stated that whatever doubts we have put on paper, the same have been replied by the President and have been clarified and accepted and also stated that when the President is ready to answer your questions there is no need of shouting and obstructing the meeting.

Mr. P Venkateswarlu, representing Oxford Cricket club stated that in the elections conducted during the last year AGM, all the Members have given a clear mandate to the present body to run the Association for two years. The Members have signed in the EC meeting Attendance Register and walked out due to the reasons best known to them. Once they have signed in the register they are held responsible for all the decisions. Few handful of members cannot stall the proceedings. He also addressed Mr. T Shesh Narayan and stated not to show the letter and irritate him as the members should have the moral responsibility when they have signed in the register and they should abide by the decisions taken in the meeting and also suggested to put the matter to an end and put for voting. He also stated that don't think that these few members are only educated and also suggested that they should maintain some decency and decorum of the meeting.

Mr. Imran Mahmood, representing Sunshine Cricket Club stated that few members are wasting time and trying to stall the proceedings which is not acceptable and requested the Chairman to allow the Meeting to go on, as a few Members are trying to disturb the Meeting because of their personal Agenda which is against the concept of democracy.

Mr. P. Mahendra representing Vijay Hanuman Cricket Club stated that Accounts should be passed in the Executive Committee meeting and then only they can be put to General Body for approval.

Mr. G. Vinod, representing Venus Cybertech Cricket Club, stated that this body has been elected to run the association for two years but your own Members are having no breach of trust and how can the body should continue.

The President replied that this is not an Assembly were you can shout down people, this is an elected EC/Body with thumping majority and has a stipulated term which shall run its course. The President is within his power, when one or some of the members resign. He along with the

remaining members of the EC can co-opt new members. Members who have walked out of the meeting are at fault.

Mr. Prakash Chand Jain, Vice-President wanted to know how the members who have walked out are at fault.

The President stated that the Members have walked out before the Accounts matter was taken up. They have walked out on another subject as stated supra. Hence if they had waited, the Accounts matter would have been taken up and discussed in their presence. However, in their absence the Accounts matter was taken up thereafter and discussed and passed/approved. Therefore the fault lies with them.

The President stated that once the quorum is there, the meeting can be conducted. After signing in the register and if they go away, then, there is a provision that the meeting called should be conducted and the President assured that, if any member wants to know anything he can come and inspect the Accounts or other things. We are always transparent in maintaining the records. Still if there is any dissent we cannot help, the Association activities have to be carried and move forward.

Mr. Imran Mahmood, representing Sunshine Cricket Club, stated that due to dissent letter submitted by some of the members the General body meeting cannot be stopped. As there are so many other members who are agreeing to conduct the meeting let us proceed and conduct the meeting. As already stated handful of members cannot stall and object conduct of the general body meeting only to tarnish the image of the Association for their personal gains.

Mr. Mir Masood Khan, representing Nizam Club stated that he is not talking in anybody's favour but he said that these are all common issues in every General Body but the members who are elected to run the Association for two years should work in the interest of Association but not for individuals. He also stated that it is his individual opinion.

Item No.1: To confirm the minutes of the 80th Annual General Meeting held on 7th September, 2014.

The minutes of the 80th Annual General Meeting were confirmed as proposed by Mr. P Venkateshwarlu, representing Oxford Blues Cricket Club and seconded by Mr. Mahboob Ahmed, representing Charminar Cricket Club.

Item No. 2: To receive and adopt the Annual Report and the Audited Statement of Accounts for the year 2014-2015 as presented by the Committee.

The President, Hon. Secretary and Hon. Treasurer informed that the Accounts audited by both the Internal and External Auditors have been placed in the HCA Finance Sub-Committee and EC Meetings regularly and accordingly the same have been passed and approved.

Members noted the same and adopted the Annual Report and the Audited Statement of Accounts for the year 2014-2015 as proposed by Mr. Imran Mahmood, representing Sunshine Cricket Club and seconded by Mr. A Tulasi Reddy, representing Jai Hanuman Cricket Club.

Further it is resolved that the Audited Statement of Accounts of the Hyderabad Cricket Association for the year 2014-15 as presented by the Committee have been duly adopted and approved by the Annual General Body at the Annual General Meeting of the Hyderabad Cricket Association held on Sunday the 13th September 2015.

Item No. 3: To appoint an Auditor or Auditors and fix his/their remuneration

It was decided to continue the present Auditors with the same remuneration as proposed by Mr. Mohd Farooq, representing CCOB Cricket Club and seconded by Mr. N Prahalad, representing Ekalavya Cricket Club.

Item No. 4. To consider any recommendations of the committee

a) The matter of Members going to Press has been discussed umpteen number of times both in the Executive Committee Meetings and Annual General Meetings and inspite of repeated requests and appeals, it is observed that the Members are approaching Press and thus causing lot of embarrassing situations to the Association and the image of the Association is being tarnished/damaged. Members were also informed that only the President and Hon. Secretary are authorized to represent the Association to address the Press Meetings and approach the Press for giving any information, press notes, press releases, rejoinders, rebuttals etc.. Third Parties are taking lot of advantage of such situations and causing lot of disturbance and inconvenience to the Administration.

In view of the above, to protect the interests of the Association and the reputation/image of the Association, let the General Body take a decision to resolve that, if any Member goes to Press, necessary action be taken against such Members including Suspension pending enquiry and the matter be referred to the Disciplinary Committee for proceeding against such Members.

Members agreed for the same.

b) As you are all aware an amount of Rs.3.00 lakhs per annum to all the Clubs being the Cricket Development Fund and Rs.1.20 lakh per annum TA/DA cum Welfare Fund is being paid to all the Secretaries of the Clubs. As per Auditors direction the Welfare cannot be given to Clubs and accordingly it was decided to make payment of Rs.1.20 lakhs to Club Secretaries and also there is an objection from Income Tax Department to make the payment of Rs.1.20 lakhs as Welfare Fund as it attracts Income Tax, it was decided in the EC Meetings that in all a total amount of Rs.4.00 lakhs will be given for the year 2014-15 to all the Affiliated Clubs as Cricket Development Fund in lieu of the above Rs.3.00 lakhs and Rs.1.20 lakhs. Therefore accordingly the payment has been made during the year under Report. Hence, the General Body may ratify this payment and approve the payment of Rs.4.00 lakhs to Affiliated Clubs towards Cricket Development Fund. For the future , development fund of 3 lakhs will be paid to all the private clubs and cricket material to institutions.

Members acknowledged and approved the said arrangement.

c) We have been receiving letters/requests from some Persons/Clubs for Affiliation / Re-affiliations of their Clubs/Teams . However, the same have been rejected to avoid litigations etc. as we have already more than 200 Clubs and many Clubs are under dispute and lot of time and money is spent by

the Association towards Legal fees for no fault of the Association. The General Body had earlier passed a resolution not to consider such requests. The same may continue.

Members acknowledged and agreed for the same.

d) INSTITUTION CLUBS - The President brought to the notice of Members that the Institutions clubs are addressed as Clubs/Teams/Associations/Recreation Clubs etc. and to avoid confusion and to have a uniform policy and procedure, it would be better if they are addressed by Institution name only viz., Canara Bank, Central Bank of India, CCMB. IICT etc. and will stop adding Cricket Club or Cricket Association or Cricket Team etc. after their institution name. It should be called in the name of the institution only. He also assured that if there is any issue the same can be sorted out amicably. For institution Clubs the Cricket Development Fund will be extended by way of supply of Cricket Materials etc. after receiving their requisition letter and requirements.

All the Members present who have attended the Meeting acknowledged the same and agreed for the said arrangement and also the supply of Cricket Materials in lieu of Cricket Development Fund facility.

Members acknowledge and approved the said arrangement etc.

Item No.5: To consider and pass the Budget for the year 2015-2016

The Budget for the year 2015-16 has been approved by the general body as presented.

Item No.6: To consider any motion, notice whereof is given in writing to the Hon. Secretary by a Member Club and received in the Association's Office not less than 7 days before the date of the Meeting

Two Motion letters have been received from Dr. K Anil Kumar, Secretary, Mahbub College and Mr. P R Man Singh, President, Roshanara Recreation Club

MOTION LETTER FROM MAHBUB COLLEGE

Motion No.1 – “With regard to the Institution Clubs the Authorised Representatives should submit letter of authority duly signed by the Head of the Institution, “only when there is a change”.

President and the members suggested that every year before the AGM an authorized letter from head of the institution has to be submitted. And in case of change also a letter of authorization from the head of the institution has to be submitted.

Motion No. 2 – Utilization Certificate

“With regard to the Utilization Certificate, the Utilization Certificate can be certified by the Secretary/ Authorized Representative of the concerned Club.”

President and the Members stated that Utilization Certificates have to be submitted as per the direction of the Auditors and the same have to be certified by the Auditor/Chartered Accountant..

MOTION LETTER FROM ROSHANARA RECREATION CLUB :

“As per Chapter I rule 2 (xi) which reads as :

“To encourage formation of Clubs/District Association within the jurisdiction of the Association and to provide playing facilities in all such centers. The number of such Clubs/District Associations would be decided from time to time by the General Body”

“There are several applications pending before the Association. As per the above mentioned rule these may be placed before the General Body for their decision. The Committee does not have the power to either accept or reject such application. It is the General Body that has to take a decision.”

Members mentioned that as per the earlier decision, no fresh affiliation will be given at this point of time as already Association have excess of Cricket Playing Clubs.

As per Chapter I rule 2 (xvi) which reads as :

“To sell, purchase, improve, manage, develop, mortgage, dispose off and otherwise deal with all or any part of the property of the Association whether moveable or immovable provided that the sale, purchase of the immovable property can be done subject to approval by the General Body.”

Since the Association has huge liabilities to clear, till such time these are cleared and taken care of, the Committee should not think of or take any action to purchase any moveable or immovable properties. If at all at a later date such action has to be taken, as per the abovementioned rule, should be done with the approval of the General Body.”

President and the members stated that since we are short of the grounds, earlier decision of the General Body to purchase the land will be implemented.

Chapter V Annual General Meeting reads as :

“The Annual General Body Meeting of the Association should be held as per the abovementioned rule. There cannot be any excuse for past adjournments on the excuse of the Committees terms are for two years.

Attention is drawn to Chapter II Rule 2 (X) which reads as “Year shall mean the financial year viz., 1st April to 31st March of next year”.

In the above rule, “Year” is clearly defined. There cannot be two meanings of the Word “Year”, one in the Memorandum, Rules and Regulations and the other to suit the Committee. As it is the Constitution of Association has been given a go by for the past several years. It would be a classic example of transparency and honouring the Constitution if the Committee does not repeat the violation of its predecessors.

As it is the Constitution of Association has been given a go by for the past several years. It would be a classic example of transparency and honouring the Constitution if the Committee does not repeat the violation of its predecessors. “

In this regard President has stated that the Annual General Meeting can be conducted on time, but for the election, legal advice will be taken for completion of the 2 years term.

Item No.7 To transact other business of formal nature as may be allowed by the Chairman.

As there were no other points to be discussed the meeting concluded with vote of thanks to the Chair.

THE HYDERABAD CRICKET ASSOCIATION

PRESIDENT'S REPORT

From the Desk of
PRESIDENT Mr. ARSHAD AYUB

Dear Friends,

It is indeed a privilege and a happy moment to welcome you all to this 82nd Annual General Meeting of the Hyderabad Cricket Association.

- 1) I am happy to inform you that the undersigned, has been nominated as a Member of the BCCI Marketing Sub-Committee, Mr. K T Rama Rao, Hon'ble Minister as a Member of the BCCI Information Technology & Data Management Sub-Committee, Mr. P Yadgiri, Vice-President as a Member of BCCI Museum Sub-Committee, Mr. K John Manoj, Hon. Secretary, as a Member of the BCCI Umpires' Sub-Committee, Mr. V K Ramaswamy, as a Member of BCCI Technical Sub-Committee, Mr. I Sivaram, as a Member of BCCI Umpires' Sub-Committee,

As you are all aware, our main aim is to improve the standard of the game of Cricket and to improve the performance and have been striving hard to achieve the same. More focus is laid on the conduct of League Matches and other Tournaments and give maximum exposure to our Players to participate in all the Matches.

Keeping this in mind, the League Matches for the season 2015-16 have commenced from the last week of May 2015 and since the need to increase our focus on league matches has been emphasized for a long time, it has been decided that we must include experienced Members to coordinate with the League Matches for smooth conduct of the same and ensure that we complete the season successfully as per schedule.

Thus, we have successfully conducted all the League Matches and Inter School and Inter College Tournament Matches and also Ghulam Ali, Behram-Ud-Dowlah, Gorakshekar Tournaments etc., As many as 5000 Matches were conducted. We appreciate the efforts of the League Coordination & Management Team Members for actively participating and contributing for the welfare of the Association.

- 2) As you are aware Mr. M V NarasimhaRao, former Hyderabad Test Player, has been appointed as Director of the Hyderabad Cricket Academy of Excellence and under his able guidance the Academy activities have been running smoothly and successfully. I thank Mr. M V Narasimha Rao, Director, HCAE and his team for successful organisation of the Academy which is moving in a right direction as can be seen from the Report submitted by him.
- 3) Further, we have successfully conducted the All India Coromandel King Moin-Ud-Dowlah Gold Cup Cricket Tournament from 2nd to 16th Sept. 2015. This time we had invited Sri Lankan team and all Corporate Teams viz., India Cements, MRF, Air India, FCI, ONGC..Two Teams Hyderabad and HCA Presidents' XI participated. The Final Match was held between India Cements and Hyderabad Team and India Cements emerged as the Winners.

Mr. Zaheer Abbas, President, ICC was the Chief Guest for the Prize Distribution Function and Mr. V.V.S. Laxman, former India Test Player, graced the occasion as Guest of Honour. India Cements had sponsored the said Tournament and we are indeed grateful to them for sponsoring the same.

- 4) In the South Zone Domestic Programmes we have successfully conducted four Ranji Trophy Matches, All India Vijay Hazare, All India Twenty-20, Under – 23, Under – 19, Under – 16, Under – 23 Senior Women’s One Day Super League Matches were conducted successfully.

You are aware, we have conducted a record number of BCCI Domestic matches this year. It was a very busy season for the HCA even though we were not allotted any International or World Cup Matches this year by the BCCI.

We were able to conduct all the Matches successfully and thanks to all the Members & Staff, without whose cooperation and support, we could not have conducted these Matches smoothly and successfully despite acute shortage of funds faced by the Association during that period. To meet some urgent financial commitments we had to avail a temporary Overdraft of Rs.1.00 Crore from UCO Bank and after receipt of BCCI Funds, the same has been repaid.

- 5) Other various activities of the Association for the year under Report have been covered in the Hon. Secretary’s Report and the Audited Statement of Accounts with all the Schedules and details for the said period have been circulated.
- 6) Further I would like to share the following issues which have been pending for the last few years.

PROPERTY TAX ON RGICS STADIUM - You are all aware, the Property Tax issue is going for the last 7 to 8 years and the latest demand is Rs.14.5 Crores. IALA have assessed the amount at Rs.2.20 lakhs per year. In this connection we have met the Hon’ble Chief Minister and other Government Officials and recently we have met our Patron Hon’ble Minister Sri K. Taraka Rama Rao and he has directed the IALA Officials to collect the Property Tax @ Rs. 25 lakhs per year from the date of formation of Telangana State. Accordingly we have paid Rs.25 lakhs for this year and agreed to pay the last year tax in the month of May, 2016.

- 7) INCOME TAX - Regarding Income Tax issue, we have made an appeal with the concerned authorities with a request to reassess the demand and review the exemptions denied to the Association. Our Consultants also have once again requested the Income Tax Authorities for reassessment of the Demand and to substantiate our request, lot of documents have been submitted to them from 2008 onwards. Copies of documents for the last five years were taken from the ACB Department who are having the originals. They have asked the Association to pay an amount of Rs.40.00 lakhs per month. However, we have paid the last instalment of Rs.15 lakhs and are waiting for them to consider our request for reassessment of our Demand besides Rs.14.00 Crores paid already all these years. . This is just to keep you informed of the developments and the critical funds position the Association is going through for the last two years.

- 8) I also want to share with you the major financial status of the Association as under :
- a) Amount Received from BCCI after our AGM in Sept 2015 to 31st March 2016 is 13.5 crores.
 - b) Amount Received from IPL Franchisee for conducting 4 Matches – Rs.1.20 Crores
- 9) M/s. VISAKA INDUSTRIES LIMITED - The final judgment in the Arbitration Case has been given and the Contract has been terminated. According to the judgment we have to pay about Rs.25.92 Crores. The Advocate who was appointed by the Hyderabad Cricket Association Justice Motilal B. Nayak has given this judgment. In spite of this Judgment M/s. Visaka Industries Limited have sent a notice to the Association claiming their rights for IPL Matches, without any justification. All the Members can imagine and understand the situation the Association has been put into by M/s. Visaka Industries Limited. Being the Former President & EC Member, they always try to exploit the situation and create problem for the Association and its Members.
- 10) SERVICE TAX – The Service Tax issue is being taken up by our Consultant and we are hopeful that the same will be resolved amicably.
- 11) Members are aware about the misbehavior & misconduct of Mr. C BabuRao, Mr. Chitti Sridhar, Mr. RM Bhaskar and Mr. T Shesh Narayan. As per the decision taken in the EC all the four Members have been suspended and Disciplinary Proceedings/Enquiry against them are going on against them.

As you are aware, they have been trying to malign the reputation of the Association by approaching the Courts, Media, sending SMS Messages etc. to Members trying to create misunderstanding among the Members and trying to tarnish the image of the Association. They have written to BCCI complaining against the Office Bearers and trying to stop payments by BCCI which is against the Secrecy Clause of the Memorandum, Rules & Regulations of the Association and detrimental to the interests of the Association.

- 12) Members are also aware that a section of Staff Members had gone on strike during Sept. 2015 in support of Mr. SK Nadeemullah Hussaini, Electrician who was suspended from the services of the Association for his misconduct and misbehaviour. He has not only gone to the Court against the President but had also complained to BCCI, Police etc. and instigated a section of Staff Members to go on strike. After conduct of necessary Enquiry against him, he has been terminated from the services of the Association.

Let me bring to the notice of All the esteem Members that, indiscipline, misconduct and misbehaviour cannot be tolerated. Time and again, we have been appealing to all the Members to maintain decency and discipline during the course of their visit to Office or during course of Meetings/ Matches etc. They should set an example for others.

With Regard to Staff Members who are trying to take advantage of the situation and creating problems for the HCA. Never in the history of HCA, employees have gone on a strike. They have gone on a strike only because of support from some of our Members.

- 13) I wish to inform the Members about the letter received from BCCI regarding Justice Lodha Committee Report and Conflict of Interest Rules and a suitable reply as detailed here below has already been sent to BCCI. In this connection, it has been decided to follow the directions/instructions given by BCCI and all the Members will be kept informed of the developments from time to time in this behalf:
- a) Clarity on the subject of Government Employees as Members of the Executive Committee to be on the Board of the Executive Committee of Managing Committee need to be clearly spelt out
 - b) The Executive Committee felt that clear cut guidelines are required in respect of Institution Clubs
 - c) The Executive Committee is of the opinion that the term of 3 years is fine, but the cooling period after three years seems to be little drastic. Hence, the suggestion by the Committee is that there should be an overall period of 5 terms of three years and Members should not continue beyond two terms in one single position. A maximum period of 15 years instead of nine years in different position may be considered. If any Member wants to continue in the same position, he will have to take a break or cooling off period after two terms. Then again he can come back for a further period of only one term in the same position. So a maximum period of 3 terms in the same position is recommended with a break. For e.g., if a Member serves as Hon. Secretary for a period of two terms, he will have to take a break or cooling off period after two terms and after that he can serve as Hon. Secretary for one more term and after that he will not be eligible to stand in the same position for life.
 - d) Since India is such a vast country, the Committee suggested that we must have 5 Members in the Selection Committee as it is practically impossible for three Members, as suggested in the said Report, to witness the Matches, as it will be a huge burden on three Selectors..
 - e) Allocation of Funds to Associations – The Executive Committee felt that Senior Associations which conduct 4000 to 5000 Matches in a year and conduct various other related Cricketing activities should be considered for allocation of extra funds.
 - f) There are many Founder and Senior most Members of the Board of Control for Cricket in India and who have been strictly following all the norms/procedures/rules/regulations stipulated by the Board of Control for Cricket in India from time to time. They are also working independently as per their Constitution, and which have a democratically elected body. In such cases, they should be allowed to follow their Constitution and run its affairs and activities independently.
 - g) The Executive Committee welcomes good governance and rules of the Justice Lodha Committee and will be willing to implement the same as per the directions/instructions of the Board of Control for Cricket in India.
 - h) The Executive Committee feels that all the Rules which are going to be complied should be prospective in nature

- i) The Executive Committee suggests that legalizing the betting is the right way to go about
 - j) The Executive Committee feels that there should not be a bar on participation of Politicians in the Cricket Associations as their support and cooperation is required for Administration of the Association. For e.g., if a person who owns a Club and becomes a Member of the EC and later on if he contests for a post of MLA or MP posts and subsequently when he becomes a Minister, there should not be any bar in his participation or in the Administration of the Association. In some cases, Chief Minister or Ministers are nominated as either Chief Patron or Patron for Government support, there should not be any bar in their participation.
- 14) I wish to inform the Members that as per the directions/instructions of the Board of Control for Cricket in India, BCCI Due Diligence Team/Auditors had visited the Association with regard to verification of Accounts of the Association for the last few years and accordingly they have carried out their job.
- 15) I am happy to inform you that 4 IPL Matches were successfully conducted during April 2015 and this year 7 BCCI IPL Matches will be played at our Rajiv Gandhi International Cricket Stadium during April/May 2016. Further I am happy to inform you that as per the decision taken by the BCCI, the Association will be paid Rs.30.00 lakhs each for 7 Matches by the IPL Franchisees and Rs.30.00 lakhs each for 7 Matches by BCCI.

I place on record the valuable services rendered by all the Office Bearers, Executive Committee Members, Members of HCA, Staff of HCA.

I also place on record my thanks to the Members of Board of Control for Cricket in India, Press, Media both Print & Electronic Media, all the Sponsors, Government Agencies, Police Department, Railways, ECIL., NFC., HMWSSB., Defence Authorities and one and all for their wholehearted support and cooperation extended to our Association for successful conduct of the Matches/ activities etc. of the Association in a grand manner throughout the year/season under report and we are grateful to them for all the help and assistance.

My special thanks to Mr. E Gopal and Mr. Ravi Shanker, League Match Coordinators & Umpires headed by Mr. V K Ramaswamy & Mr. D Elangovan, for their excellent support. We had invited Sri Lankan Team on a reciprocal basis.

Mr. Zaheer Abbas, President, International Cricket Council was the Chief Guest at the Prize Distribution Function held on 16th Sept. 2015. Mr. VVS Laxman, was the Guest of Honour.

We are indebted to M/s. India Cements, who have sponsored the said Tournament and express our gratitude and thanks to them for their patronage, support and cooperation all these years.

- 6) In the BCCI Domestic Tournament front, I am extremely happy to inform you that we had conducted a record number of 84 Matches during October/November/December 2015 and January/February 2016 inspite of acute shortage of funds during that period. We had a very busy season eventhough we were not allotted any International Matches or World Cup Twenty-20 Matches.

To be frank, we were able to conduct all these Matches successfully because of the wholehearted and unstinted cooperation and support extended by all our Members & Staff, without whose help and assistance, we would not have conducted these Matches smoothly.

- 7) As you are all aware, we had a fairly satisfactory season for Hyderabad State Teams as far as the BCCI matches were concerned. Our Under-23 Team had qualified for the knock-out stage and lost to Madhya Pradesh in the Semi-Finals by conceding first innings lead. The Under-16 Team also qualified for the knock-out stage.

This year, to encourage the game of Cricket among Women Players, we had conducted quite a good number of Matches both in the City as well as in the Districts. The performance of Senior Women's Cricket Team was good and had qualified for knock-out Stage.

The performance of Ranji Trophy Team has not been satisfactory. However, there is lot of scope for improvement as we have quite a good number of youngsters who are very enthusiastic and determined to perform better in future. With the HCAE running in full swing and with the conduct of good number of league matches, with the better opportunities and facilities/benefits extended to the Players, we hope to perform better in the coming years.

- 8) As submitted by the President in his Report, you are all aware, we have lot of pending issues like Income Tax payment, Property Tax Payment, Service Tax issue etc., and have been successfully trying to solve the same.
- 9) Regarding M/s. Visaka Industries Limited, the President has already explained the position very clearly in his Report and I have nothing to say except to honour the Judgment and come out of the situation.
- 10) The President also explained in detail about the Justice Lodha Committee Report and Conflict of Interest Rules and I have nothing to add except that we have to follow the directions/ instructions to be given by the BCCI in this behalf.
- 11) My sincere thanks to the President & Office Bearers for their timely guidance and advice given to me from time to time in running the affairs of the Association to the satisfaction of one and all. Further, I place on record the valuable services rendered by all the Office Bearers, EC Members and Members of HCA., Staff of HCA for successful conduct & organization of the various activities of the Association, Tournament Matches both League and BCCI Domestic etc..

I can imagine, without their support, cooperation and assistance, it would not have been possible for all of us and our Association for conduct of all the Matches/Tournaments in a very satisfactory and successful manner.

THE HYDERABAD CRICKET ASSOCIATION

REPORT OF HYDERABAD WOMEN'S HEAD COACH FOR THE YEAR 2015-16

Dear Friends

Hyderabad women of all ages U-16, U-19, U-23 and the seniors made rapid strides this year to make a mark in our national format. The younger teams U-16, U-19 and U-23 made an impact on the tournament and made a formidable impression on all the oppositions they played against. The Senior team was among the top four in the country in the one day format. They qualified for the one days and played along with Indian Railways, Maharashtra and Mumbai. The foundation and infusing new talent this year happened during this domestic season with the tremendous support of the association.

This was the year which marked the firsts ever and also the revivals for the girls. A) District Cricket started with a great response to camps and inter district tournament, with the Senior girls and Coaches giving their experience and time in all districts of Telangana for the U-16 and the U-19 kids. The social welfare schools came forward in this venture and these underprivileged girls from here, have all the potential and talent to make Hyderabad a force to reckon with in future. It is the first time ever since the inception of women's Cricket in 1975 that here in this state that district camps and tournaments were held. B) The inter schools and colleges were conducted again this year in MPG grounds and there was a marked improvement in the quality of cricket especially the young batsmen. C) The revival of league matches after a gap of 10 years which was then done in WCAI time with the help of Mr TN Pillay. D) A district camp for the best 28 selected girls all over districts was held in Uppal stadium for two weeks and all the basics and nuances of the game was taught in this camp. It is again the first time that a camp for the district girls was held ever.

There were a lot of practice matches for the U-19 girls this season. They played matches with Baroda, Goa and Assam state teams before our season kicked off. These matches helped the young ones tremendously and saw them improve game after game. In fact we lost twelve players from last year due to age and the requisite six years being finished. The U-16 girls whom we have nurtured from the last years inter schools stepped into this team this season. The senior girls got to play practice matches with the Mumbai state team in Hyderabad and even toured Bangalore to play the Karnataka team just before the BCCI Elite-B started. All this activity augured very well and prepared the girls for the ensuing season. The wonderful support given by the association and the womens committee along with all the support staff and senior girls –all working in tandem ensured that more and more girls took up this game and the womens cricket base improved from a meagre pool of 40 girls.

The U-19 interstate tournament was held in Guntur in which our girls showed a quality game. After an exodus of 12 players last year, we supplemented this team with young U-16 players. In spite of their experience and age these girls rose to the occasion and supported the senior players. D Ramya scored back to back centuries against Kerala and Goa and a 62 against Andhra and amassed 294 runs on the whole. She became the first ever player from Hyderabad to churn out these hundreds playing a very classical and responsible innings. She bagged the best batsman of the tournament too. Hyderabad beat Kerala by 24 runs, Tamil nadu by 63 runs and Goa by 28 runs. We lost to Karnataka by the VJD

method and to Andhra. This U-19 team only lacked in the bowling department by giving away a lot of extras but in their fielding they were outstanding and played supporting roles for Ramya and Pranati reddy and Anuradha. We reached 200 runs on two occasions against Tamil nadu and Goa. Hyderabad was placed on similar points with Karnataka, Kerala and we missed qualifying narrowly due to the net run rate. We were third in this tournament after Andhra and Kerala.

The Elite-B tournament for the seniors was in Goa and we had Delhi, Maharashtra, Goa and Bengal in our group. We won against Bengal by 50 runs we had a good opening partnership by D Ramya and Sneha morey of 82 runs and then dismissing the opposition by 83 runs. Bowling again was superlative with Ananya bagging 3 wickets just 13 runs and Shravanthi naidu 3 for 12 runs. Hyderabad won against Goa by 6 wickets getting the opposition for a paltry 82 with Shravanthi picking up 3 wickets for 19 runs and Gouher 2 wickets for 9 runs in their 10 over spells. We won against Maharashtra by 5 wickets by VJD method and our bowling was top notch in this match dismissing Maharashtra for 101 runs all out. Kavya played responsibly for her 50 and saw the side through. Gouher sultana in her 10 overs got 3 wickets for 16 runs and ably supported by Shravanthi and Arundathi. Delhi was the only match we lost due to poor batting and poor running in between wickets. This kind of inconsistency is what we have eliminate and show more mental strength to be consistent winners.

Hyderabad qualified for the super leagues and we had to contend with Indian Railways, Mumbai and Maharashtra in our pool which was held in Hyderabad. The star studded Indian side which constitutes the Railway side won by 8 wickets and our batting letting us down again. The match against Maharashtra Hyderabad won by 6 wickets and we dismissed them for 134 for 7 wickets. Our batting with the top order of Shalini and Ramya and Diana david played sensibly to chase down this target. The next game against Mumbai we lost by a good margin. The opening partnerships were not there, powerplay usage was nil both in one days and T-20s. Bowling unit has always kept the game alive but as mentioned earlier the mental strength required to play responsibly according to situations will take our talented Hyderabad girls at the top most rung soon.

The T-20 Elite tournament was held in Kolkatta and we had some close finishes here which if won could have seen us qualifying in this format too. We defeated Delhi by 7 wickets in the first game. Our bowling was top class and Gouher sultana analysis was 4 overs 3 maidens 2 runs and 2 wickets. The other bowlers too- Diana, Arundati and Kavya supported by giving away measly runs. The next match against Bengal we won by 2 wickets. Again Gouher was the wrecker in chief and ably supported by the pacers Ananya and Arundati. The match against railways we lost by 27 runs. It was an exciting match with Railways being restricted to 51 for 3 till the 14th over but the experience of the Indian players Mithali and Veda got 52 runs in the last 6 overs. Our batting never took off after this and lost wickets at regular intervals. The last match against Maharashtra was a very close one. We garnered 92 runs in our stipulated 20 overs but our bowling unit put Maharashtra on the rack by taking 7 wickets for 75 runs till the 16th over. Ananya upendran was the pick of the bowlers in her 4 overs giving away 14 runs and getting 3 wickets. In the matches against Railways and Maharashtra the death bowling was below average and in the Maharashtra match they won with 3 balls to spare. In this way Hyderabad chance of qualifying also in T-20 format was hindered.

The U-16 inter state tournament which was held in Hyderabad showed a lot of promise and potential of the young kids. Hyderabad won against Tamil nadu by a massive 123 runs with our young batsmen scoring 192/4 in 30 overs and skittled the opposition for a paltry 69. The match against Goa we won by a nine wicket victory and chasing this score. Hyderabad won by 7 wickets against Karnataka and

dismissing them quite cheaply. It was against Kerala that which was an exciting match and went into the last over and lost and the match against Andhra that we lost by 20 runs. T Poojitha and Trisha G were the openers who played some quality shots and got half century each. Henrietta was the pick of the bowlers getting 8 wickets throughout the tournament and Harleen kaur the offspinner getting a four wicket haul giving away just 5 runs in her 4 overs. The district girl Priyanka was impressive with her pace. The bowling in the U-16 level should be worked on. The fielding was brilliant in patches. These batches of young kids from the city as well as districts who are 13-14 years have to be nurtured thoroughly and they will turn out to the future of Hyderabad and India.

For the first time BCCI has introduced a tournament for the U-23 women and this move will go a long way in making the bench strength for the country and make sure that the talented young U-19 girls will have one more opportunity to knock on the doors. Hyderabad did well here too. We won against Kerala by 7 wickets, against Goa by 7 wickets, against Karnataka by 8 wickets. The match against Tamilnadu was extremely close and we lost this match by 2 runs. Andhra won with a massive margin against us with big hundreds. Sneha Morey, V Kavya, Himani Yadav did well and the young left hander T Poojitha was very impressive in all ages. Rachana and Kavya were the pick of the bowlers in this tournament and Kavya who was the vice captain of the zone was also the second highest wicket taker in the U-23 category in India bagging 14 wickets overall.

D.Ramya and Pranathi Reddy were selected for U-19 South Zone and Gouher Sultana, Kavya and Arundati Reddy were selected for the senior south zone team and played multi day games. Gouher who was the vice captain was adjudged the best bowler in the zone bagging 18 wickets in the multi day matches.

Pranayama, Surya Namaskar and meditation was done regularly for the girls alongwith pool sessions, gym sessions, ice baths etc. I would like to thank my support staff Nooshin al khadeer, Savita Nirala, Swathi, Aarti Nalge (VA for U-19 Team), Sudha (VA for senior squad) Niharika and Harsha Jain who worked with a lot of passion and hard work. My heartfelt gratitude to the entire womens cricket committee, Ms Vanita Viola especially for her untiring efforts, to infuse new talent from the districts. I would like to thank our curator Mr.Chandu and his team, the administrative staff and the entire staff of HCA for their never ending support for us.

I am profusely grateful to our Hyderabad cricket association and our President Mr. Arshad Ayub, our secretary Mr. K John Manoj and our Chairman Mr. M. Narender Goud for their encouragement and extending all facilities for the Hyderabad women. This has been the backbone for the girls to be amongst the top four in the country and responsible for infusing a large base of girls into our system.

Report on the Financial Statements

We have audited the accompanying financial statements of Hyderabad Cricket Association ("The Association"), which comprise the Balance Sheet as at March 31, 2016 and the Income and Expenditure Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the Accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements, plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We have obtained all information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit, except for the matters mentioned in Para 1 to 7 below. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

As part of our audit procedures for obtaining reasonable assurance about whether the Association's financial statements are free of material misstatements:

- We made inquiries with the Association's office bearers and performed other required procedures which we considered necessary in accordance with SA 250 (Revised) – 'Consideration of Laws and Regulations in an audit of Financial Statements', issued by the Institute of Chartered Accountants of India in connection with the Association's compliance with Laws, Regulations etc., the non-compliance of which will have a direct and material impact on the amount in the financial Statements.
- We made inquiries with the Office Bearers and performed other required procedures which we considered necessary in accordance with SA 501 – Audit Evidence – 'Specific Considerations for selected items' issued by the Institute of Chartered Accountants of India in connection with the various ongoing legal proceeding and litigations of the Association. The final outcome of the legal proceedings and the litigations could have a significant impact on the financial statements of the Association and the Association's evaluation of the same is very critical and fundamental to the preparation of the financial statements.

Providing an independent opinion on compliance with laws, regulations etc., by the Association and on the legal proceedings and litigations, are not part of the objectives of our audit, and accordingly, we do not express such an independent opinion.

Basis for Opinion

1. During FY 2012-13, the Association had capitalised the assets which were acquired/ constructed during the period 1st April 2009 to 31st March 2012 and appearing as capital work-in-progress as on 31st March 2012 aggregating to Rs. 22,91,06,285 as fixed assets basing the capitalisation report of consultants engaged for this purpose.

The scope of assignment of consultants included physical verification of assets, preparation of Fixed Assets Register and identification/labelling of the fixed assets. As per their status report of assets tagging dated 7th August 2014, assets aggregating to Rs. 62,20,194 could not be tagged and they requested the Association to identify the assets. Till the conclusion of our audit, the Association and the consultants could not identify these assets and offer them for our verification. The carrying value of fixed assets is not accordingly adjusted by the Association.

The Association continues to charge depreciation on these assets. Depreciation for the year has been overstated by Rs. 2,75,068 and consequently the deficit of the current year is also overstated to that extent. The fixed assets and General Fund appearing in the books of accounts are overstated by Rs. 24,27,356.

The Association has not updated the fixed assets register for financial years 2012-13, 2013-14, 2014-15 and 2015-16. An attempt to verify the physical existence of assets revealed that the Association has not identified or labeled (tagged) the assets in line with fixed assets register maintained. In the absence of proper identification/labelling, assets could not be identified with certainty. Further it is noticed that some of the assets are in damaged and useable condition. The Association has not carried out impairment testing of any of the fixed assets. Hence, we are unable to comment on the existence and the usefulness of these fixed assets.

The Association owns several moveable assets which are frequently moved from one location to the other. The Association does not have any record of such asset movement.

2. In April 2013, The Ranga Reddy District Collector issued a show cause notice for cancellation of the lease granted (for Uppal ground) to the Association for violating the terms of the land lease agreement. The Association is contesting the same. {Refer Note no. 7}

The cancellation of lease could have significant impact on the operations of the Association and the same cannot be quantified.

3. In April 2013, The Defence Estate Officer, A P Circle, Secunderabad had issued a notice stating that HCA's occupation of Gymkhana ground is illegal. The Ministry of Defence alleged that lease deed executed by the then Defence Estate Officer, was without any authority and was contrary to the mandatory provisions of Article 299 of the Constitution and the Association is asked to surrender the Gymkhana ground land. The management has obtained an injunction in this matter. {Refer Note no. 8}
4. Other Liabilities includes provision for gratuity {Refer Note no. 21(iii)} made as per the provisions of Payment of Gratuity Act, 1972. However the same is not in accordance with the provisions of AS 15 – 'Employee Benefits' issued by The Institute of Chartered Accountants of India. The financial implication of the same is not quantifiable.
5. During FY 2012-13, the Association had incurred an amount of Rs. 13,16,725 towards catering expenses for police personnel for the India vs. New Zealand test match, payable to Hyderabad House Private Limited.

Opinion

Subject to our observations in paras 1 to 7 above, in our opinion and to the best of our information and according to the explanations given to us, the financial statements give the required information and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Association as at 31st March 2016; and
- (b) in the case of the Income and Expenditure Statement, of the deficit for the period 1st April 2015 to 31st March 2016;

Without qualifying our opinion, we invite your attention to the issues mentioned below :

1. The Association has not been availing the CENVAT credit in few instances, for the service tax component paid on the service costs. This results in higher payment of service tax than due.

The Association has not been remitting service tax dues within the due dates prescribed.

2. The Association in few cases has defaulted with Tax Deducted at Source (TDS) provisions of the Income Tax Act, 1961 with regard to deduction, remittance and filing of the mandatory returns.

3. The Association in few cases has defaulted in deduction, remittance and filing of the returns of Provident Fund, Employees State Insurance and Professional Tax.

4. In our opinion, the existing internal control procedures are not commensurate with the nature and size of the operations of the Association.

Report on Other Legal and Regulatory Requirements

- (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion proper books of account as required by law have been kept by the Association so far as appears from our examination of those books;
- (c) The Balance Sheet, Income and Expenditure Statement, and Receipts and Payments account dealt with by this Report are in agreement with the books of accounts;
- (d) In our opinion, the Balance Sheet and Income and Expenditure Statement comply with the Accounting Standards issued by The Institute of Chartered Accountants of India.
