Hyderabad Cricket Association

Dear Sir,

1. As per the Order passed by Sri Justice V. Eswaraiiah, Ethics Officer & Ombudsman Addl. Charge, in Case No. 11 of 2024 dt. 14.06.2024 the Apex Council has made strenuous efforts to ensure due compliance of the aforesaid Order by formulating just and equitable criteria to ensure that the Cricket clubs are not in any way prejudiced. The same was discussed and agreed in the Apex Council Meeting held on 30.06.2024. The criteria as follows was set to ensure the promotions for the upcoming season.

(i) A unanimous view was reached that conducting the play-off matches is not logistically possible as the league season is already delayed and the play-off matches would further delay the cricket season.

(ii) A1 Division (3 Day) The existing 2 groups will be retained and will be placed in Elite category.

(ii) It was decided that the Elite A and Elite B Groups will have a total of 12 teams each in order to ensure that no team is idle as would be the case if an even number of teams are placed in a group. Further, the time period to complete the season would be drastically reduced as no team would be idle in any given week. (Example if 11 teams are there in a Group it would result in one team being idle as only 10 teams would participate in five matches)

(iii) The top 3 teams of each Group in A2 Division (2 Day) will be placed in a Group under A1 Division Plate category barring the district teams for whom a separate league table is carved out.

(iv) This will result in a total of 24 teams in Elite and 12 teams in Plate categories of A1 Division. The additional team in the Elite A category (12th team) would be the top team in the Elite B Category. Further, the vacancy in the Elite B category (on account of one team being promoted to Elite A) and additional team in the Elite B category (to roundoff to 12 teams) would be the top two teams from the 2 Day league, who are PKMCC (maximum points 58) and Balaji (49 points + maximum run rate)
